

PART TIME POSITION: Town of Hurley Code Enforcement Officer

A part-time Town of Hurley position is available: Municipal Code Officer/Stormwater Management Officer.

The work involves the ability to read and understand municipal codes and regulations, and site plans and erosion/sediment control plans; perform field inspections; handle complaints; keep detailed records; interact with land owners, business owners and agency officials; and file a year-end stormwater report.

Good oral and written communication skills are required, as well as an ability to work in a team-oriented environment.

The position is 20 hours per week minimum, with some flexibility in the daily schedule. Pay will be commensurate with work-related experience. A clean record and driver's license are required.

Benefits include paid time off, NYSLRS, deferred comp.

Please email resumes and letters of interest to the Town Supervisor's Office at supervisorsec@townofhurley.org
